## FIELD TRIP FUN!

2012

Dear Parent/Guardian;

Welcome to Field Trip Fun! We are looking forward to a great week. To ensure a fun and successful week, you should remember a few things.

**Most activities are outside, so sunscreen is extremely important.** In an effort to maintain your child's safety, please remember to apply sun block and insect repellent to your child on a daily basis. Campers should bring insect repellent and sun block to camp daily with their names on each item. Please wear tennis shoes and bring a change of cloths. Due to the nature of the camp, your cloths will often get wet or dirty. You will also need a packed lunch, snack and a water bottle. No refrigeration is available.

Every effort has been made to plan activities that fit into the schedule listed on the following page. However, when participating in outside activities, events may occur beyond our control, such as weather and traffic. If such events occur, there is a possibility that your child may arrive after 4:00 p.m. to the Community Center. In this case, the counselors will contact the Community Center, and we in turn will contact all of you at your home phone number. If you are concerned about your child's arrival time, please feel free to contact the Community Center at (703) 248-5027 to see if the camp has returned. Please note the counselors make every effort to have your child back to the Community Center on time and to communicate with the Community Center when they are delayed.

If you have any questions, please do not hesitate to contact me at (703) 248-5307. We hope you will enjoy the various activities we have planned for your child.

Sincerely,

*Amy Maltese, CPRP*

**Splashdown Water Park-** Please have a swimsuit, towel, water shoes and a change of clothes. Lockers are \$5 for the day. For this trip you can either bring your own lunch or purchase lunch at the park. Campers bringing their own lunch with exit the park with staff to eat.

**Fishing Adventure-** Campers should wear shorts, t-shirts, bathing suits, etc, plus river shoes like Keens, Tevas, or even old tennis shoes. They must be something that will not come off in the water. Flip flops or crocs are no good. Activities are subject to change and may be substituted as a result of inclement weather.
